

Brazilian Training Balls

	<p>The Brazilian Training Ball is a Fun and Challenging way to develop your touch! It can be used fully inflated to develop your passing, receiving, shooting, dribbling and heading skills. It can also be used partially deflated to improve touch.</p> <p>It comes in an assortment of colors. The Brazilian ball is used by players at all levels of the game of soccer, from the U6 player to the world class professional player.</p>	
	<p>Wisconsin Academy of Sports Inc. Staff coach and trainer Carl Gardner has used this training tool with his Futsal and soccer Academy programs for many years.</p> <p>Contact Carl Gardner at (920) 540.4599 if you are looking to get one for you child or for a team.</p>	
	<p>Cost: \$16.00 per ball</p>
